This is my house.
There are many different kinds of houses. Some are big. Some are small. Some are very, very tall.

I love my house. My house has all my special things in it. My books and my puzzles, my toys and my dolls.

But most important of all is my family! My Mommy and Tatty, my sisters and my brothers!

I know that very soon Moshiach will come
and we will all see the beautiful
Beis Hamikdash in Yerushalayim!
