# Parshas Vayeshev

Look at Yosef’s colorful coat!
What colors can you see?

**Yosef’s brothers saw his beautiful coat and wanted one, too!**

**They saw how much Yaakov loved Yosef, and they felt jealous.**

**Jealousy** can be a hard feeling. Sometimes we feel jealous when we see someone get something we really want.

Maybe your friend got a new toy, and you think, *I wish I had one, too!*

One night, Yosef had a dream.

His bundle of grain stood up tall,
and his brothers' bundles bowed to it.
